## **WHAT'S SO GREAT ABOUT OUR DEPOT & FIRES OF 1918 MUSEUM?**

*Exhibits include:*

*Moose Lake State Hospital  
History of the Fires of 1918*

*Railroad*

*Agates*

*Nemadji Pottery*

*Logging*

*And much more!!*

*Summer 2019 - Issue 54*

*Published Quarterly by MLAHS*

This summer newsletter is a little early so that the early summer events can be included. The Museum and Depot will open for the season on May 25<sup>th</sup>. If you would like to volunteer for anything during our season, please call.

We will be painting the Speeder Shed for the Rick Peterson Memorial, adding lighting and putting the speeder in the shed this spring, as well as landscaping that corner of the lot to add to the curb appeal of our property.

## **PLANT SALE – JUNE 8<sup>th</sup>, 9 - 1**

For the plant sale to be a success, we will need folks to donate plants. Plants in containers with a label are needed. You can bring them on Friday from 10 – 4 or Saturday morning between 8:30 and 10.

Our “Murder at the Museum Dinner Theater” was a fun evening with a catered meal and a great performance by our cast. Thanks to all who acted, washed dishes, the Lazy Moose for the good food, and the Moose Lake Muni for the beverages.

### **Archiving Department:**

The Moose Lake Area Historical Society's Archiving Department has been actively documenting the Archive Collections since their inception. We are currently developing a digital based Search Application which will serve to locate requested information. The Collections include to name a few: Fire of 1918 death records, Historical Photos from private parties and from the Folz Collection. There is also a vast record of obituaries recorded. Copies of old Star Gazette newspapers have been preserved and will also be recorded with their pertinent story lines. The new digital based App will provide a quick list of hits on an inquiry across the whole Collection. The hits will direct the requester to the proper Collection and location in the Archives to retrieve the historical information desired. This application will speed up research and will be made available to the public either through the Archive department or through eventual direct Public Access. The Archive Department will be equipped with Computers, photo /negative scanners and printers to facilitate quicker turn around on a requested search. A person requesting information will be able to fill out a form, and the Archive Department will see that the information is collected for them.

If a person has an obituary they would like added to the collection, please bring them in, or email them to us.

We will no longer accept Photographs that do not have who, what, there identified on the photo.

**Amazon Smile:**

If you purchase from Amazon you can donate 5% to the **Moose Lake Area Historical Society** by logging in to "Smile/amazon.com" and picking the Historical Society with the full name and continue shopping. Amazon will send us 5% automatically to our bank account.
